

# Performance for All Project Spring Conference 2012

---

University of Bristol Burwalls Conference Centre

30 March 2012 10.30 – 3.30

## Conference objectives

- Learn about the project and tools for those that are considering taking part
- An opportunity for those that have started to offer further feedback to developers
- Chance to meet and share implementation and planning experiences with others in sector
- Hear about performance management challenges outside of HE
- Contribute to plans around future project direction including governance
